1950

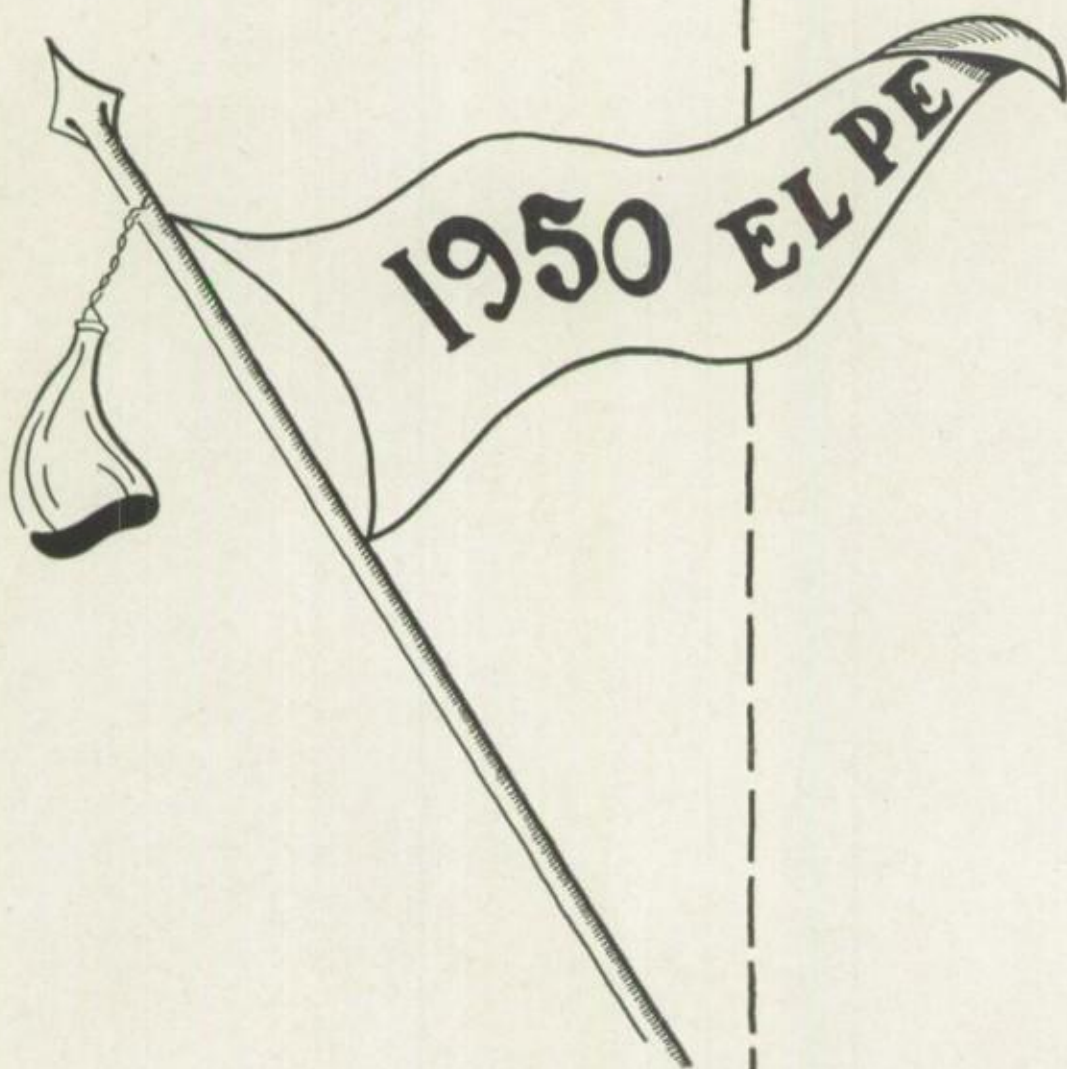

*A Review of the  
Highlights*

At the LA PORTE HIGH SCHOOL  
LA PORTE, INDIANA

Presented by

*The El-Le Staff*

"All the world's a stage  
And the men and women are merely players;  
They have their entrances and exits."

## Premier Performance

**W**E, the seniors of 1950, present our final production. Let us take you behind the scenes to show you every phase of activity that makes up this play—the classroom, the dance floor, the stage, and the athletic field.

**T**HE staff wishes to thank the producers, directors, cast, and stagehands for their assistance. So without further delay, the house lights dim, the curtain rises, and we present to you "Slicer Life."

# *Social Life - - An Important Scene*

## *Presenting our Leading Lady - - Joanne Bigham*

**A**LMOST a thousand young people of LaPorte High School are training for parts in our play. Every role, no matter how large or how small, is important because it adds to the finished production. In the meantime we are growing socially, as well as mentally and physically. The social phase

is important because the kind of city we shall live in tomorrow is being determined now by the students of LaPorte High School in their work and play. After four years of understudy, we shall soon assume our places as adult citizens who will serve community and country.

Two records were broken in one meet by Tom Fara. Many other good times have been turned in by the runners.

## Here Come The Girls

### Tumbling

TOP ROW: Janis Hubner

MIDDLE ROW: Twilla Walker, Joyce Wainscott

BOTTOM ROW: Barbara Peo, Christine Swaim, Georgene Heusi

Tumbling is just one of the sports the girls enjoy during the year. Pyramids, headstands, and somersaults are a few of the many feats the girl endeavor to accomplish during a short six-week period.

## Volleyball

During the second semester of the 1949-50 school year, a volleyball tournament was played with twelve teams of girls participating: 8 of Hearts, No Names, Jugs, Corny Clowns, Jolley Volleys, Slicerettes, Eight Balls, Inky Dinks, High-netters, Classie Lassies, Frankie's Octet, and Lucky 8. Games were played on Monday nights after school with eight teams playing each evening. At the time of this writing, the championship is to be played off between the 8 of Hearts and the No Names. May the better team win!

## *Golf*

Hopes are high for a successful 1950 season. Although only one returning letterman is back from last year, the team replacements should be fair; and the outlook, good. Last season the team came in second in both the conference and the state finals. Last year the team elected Rudy Boyd both captain and most valuable player. Only one player on the team will not be back next season, so look for a good team next year.

# School Spirit Boosts the Team

## PEP COMMITTEE

This year our pep sessions were originated by the Pep Committee which was made up of Pete Kesling, Tom Fara, Sue Williams, Mary Ann Weaver and the cheerleaders. They held their first few pep sessions in the gym because the auditorium was being repaired. Each pep session was cleverly arranged, and everyone was ready for the unexpected to happen. We saw a New Year's Eve baby, Uncle Remus, Santa Claus, W. C. Fields, and many others.

## CHEERLEADERS

The cheerleaders for the 1949-50 school year consisted of one senior, Margaret Hart; and two juniors, Peggy Birkholz and Marilyn Miller. They did a marvelous job of leading the student body and acquired the title of "The prettiest cheerleaders in Northern Indiana."

## Axe Club

The male answer to the Pepper Club is the Axe Club. When the going got rough, they added a spicy cheer that inspired both team and students.

## *The Girl's Athletic Association*

Throughout the school year, the Girls' Athletic Association provides fun and exercise for the girls of L. P. H. S. Such sports as archery, bowling, badminton, volleyball, softball, tennis, and basketball are played with much spirit and enthusiasm. There is also a Tuesday morning camping class for those girls interested in eating and living outdoors. Miss Cosand finds time in addition to her gym classes to sponsor the G. A. A.

The team of 1925 was first to carry the nickname "Slicers," the first to win a LaPorte Sectional, and the first LaPorte team to go to the state finals. Celebration of its silver anniversary took place at the Slicer Cafeteria with the team members and their wives and Coach Leitzman present. At the banquet a short talk and anecdotes were presented by Mr. Paul Boston, letters were read from members unable to attend, and a moment of silence was observed for those team members deceased.

Later, they were guests at the South Side game and were honored at half-time.  
The team of 1925 is not to be easily forgotten in L. P. H. S. basketball history.

# Student Government

On alternate Wednesdays, the student government meets with Mr. Beabout, the faculty sponsor, to discuss school affairs. During the year a new constitution was framed, the court system was revised, and an outline for social activities was announced. Pep sessions and assemblies are also handled by the student government.

# Girl Reserves

**G**IRL Reserves is comprised of 248 girls eager to be of service to their school and community, as well as to have a good time. Two annual activities sponsored by G. R. are the Christmas Formal and the Mother and Daughter Banquet. Generous profits are made by the girls who work at basketball concessions. This money is used for the two present scholarships. Freshmen are aided in their entrance to high school by Frosh "get acquainted with school" parties. Working for teachers and helping with the T. B. seal drive are these girls' contributions to their community.
